Letter from the Editors

Dear Paper Crafters,

Making things is very fun but sometimes you just wish that someone would make something for you, something that looks way cuter than you could ever make anything look. And this eBook is the answer to that desire. Filled with amazing printable designs, most of the projects in this collection need only cardstock and scissors to bring to life. Create and use these adorable designs by simply printing them out on cardstock.

You do enough around the house, enough of your own detailed and complicated projects. Let the designers of these printables help you make something cute without requiring a bunch of effort. *16 Free Printables: Free Printable Greeting Cards and Other Printable Paper Crafts* lets you create some adorable greeting cards, recipe cards, decorations, and more with minimal effort.

Happy crafting!

Sincerely,

The Editors of AllFreePaperCrafts.com

Our eBooks, like all of our craft projects, are absolutely FREE to members of our crafting community. Please feel free to share with family and friends and ask them to sign up at our website for our free e-mail newsletter, [The Paper Post](#).

By [Mollie Johanson from Wild Olive](#)

If you have a bunch of thread and you lack a great way to organize it, then these Precious Printable Thread Bobbins are for you. This free printable is a fantastic and adorable way to store your leftover thread. Because these bobbins are printed on flat paper, your thread will take up less space in your sewing drawer. It's hard to deny just how adorable these little bobbins are.

Materials

- Printable design (page)
- Scissors
- Cardstock

Instructions

1. Print out design on cardstock.
2. Cut out individual bobbin on dotted lines.
3. Cut slits on the top of the bobbins on the dotted lines.
4. Wrap thread around bobbin and smile while you stitch!

Grocery Staple Items Checklist

By [Mollie Johanson from Wild Olive](#)

Everyone needs to go grocery shopping, and it's always devastating when you forget a staple item! Never forget your most important grocery purchases again when you have the Grocery Staple Items Checklist. This adorable free printable not only has a helpful checklist of all of the most important staple grocery items, but it has pictures of the important staple items that are super cute.

Materials

- Printable designs (page)
- Cardstock
- Scissors

Instructions

1. Print out design on cardstock.
2. Cut out design.
3. Write down your grocery staple items so you never forget them!

Creative Customized Phone Covers

By [Fiskars](#)

Phone cases can get expensive in a hurry, and sometimes stores don't have exactly what you want. Decorate your own phone case exactly the way you'd like with the Creative Customized Phone Covers. These unique phone cases are super easy to make. Download the free printable template and decorate the page just like a miniature scrapbook layout. Once completed, the image can be inserted into a clear plastic protective case. These phone cases make excellent homemade gifts!

Materials

- Cardstock
- Clear Phone Cover
- Fingertip Detail Knife
- Photos
- Washi Tape

Instructions

1. To begin, you'll need a clear phone cover. These are available at many large department stores, and can also be ordered online. You can usually choose from completely clear, or a clear back with a colored rim.
2. Download the template (page 48) as your starting point. Important: use the cardboard insert that came with your case as a guide. All cases are slightly different in size!
3. Carefully cut out the template.

4. For a graphics-only cover, layer your favorite scrapbook paper and punched shapes. Trim excess from edges.

5. To add a photo to the cover, print to approximately 1.5" x 1.5" (if printing at a photo lab, ask if they have a "passport size" photo option). Add photo and elements to your template, just as if you were creating a mini layout.

6. Slip your completed cover inside the plastic, and snap onto your phone!

More Ideas

1. Photograph or scan your child's favorite drawing, and resize to fit within the template.
2. Print several templates on white cardstock & encourage your kids to paint or draw their own designs.
3. Remind yourself of your yearly focus word, goals, or intentions by adding them to your phone cover.
